

# HUNTSVILLE CHORAL DIRECTOR'S ASSOCIATION

## *Sponsorship Letter* **All-City Choral Festival**

*Dear friends of the Huntsville Choral Director's Association,*

Hosted by the Huntsville Choral Directors Association (HCDA), the All-City Choral Festival was founded in 1966 to promote excellence in choral singing for students in the Huntsville City Schools System. In the past 50+ years, the HCDA has served countless students through this signature event. The All-City Choral Festival is held each year to promote collaboration between choral programs in the Huntsville City School System for students in grades 6-12. The festival also provides an excellent opportunity for students to study under the baton of distinguished choral clinicians from across the South-East Region of the United States.

We would like to offer you an opportunity to partner with The Huntsville Choral Directors Association and the All-City Choral Festival by becoming a supporter of the Arts through our fundraising efforts. Your willingness to become a sponsor would provide students the opportunity to have continued affordable choral singing, without the need to raise fees for the families wishing to participate. Our ultimate goal is to provide high-calibre choral experiences at no cost to the students who wish to participate. Your efforts and sponsorship NOW will help us reach this goal of **\$25,000**.

You and/or your organization would also be recognized and acknowledged at our All-City Choral Festival Concert, social media, our website, and included in our program. This outreach would reach thousands of people within the city of Huntsville and the greater Madison Area.

Tax-deductible donations may be written and mailed to the address below to help reach our goal upon completing the **All-City Sponsorship Form**. We hope that you will find a means that enables you to support our organization, and student outreach. If you have questions about our sponsorship program, email us at [hcdatreasurer@gmail.com](mailto:hcdatreasurer@gmail.com). We appreciate your willingness to consider being an active participant in the All-City Choral Festival. Together we can positively impact our community and advocate for the arts!

Sincerely,  
The Huntsville Choral Directors Association
